

To: Electoral Boundaries Commision

Dear Sirs/Madams:

Alberta's population has grown but the number of workers who provide health care and other essential services is going down. Therefore the no. of MLAs should be cut too, not added. What do these MLAs do besides banging their hands on the benches and yelling like kids. We don't need more MLAs, MPs or Executives for sure, but we certainly need more workers to provide services.

Sincerely  
Karam Gill
