The timing of this initiative could not have been worse. Recently an MLA from the Fort McMurray area tried to look after the needs of his electorate and was quickly kicked out of the party! On the basis of the fact that MLA's are not allowed to represent those who elected them, yet each MLA is a very expensive tax burden, my strong feeling is that Alberta should have far fewer MLA's rather than more. I mean, what the hell do Alberta MLA's do to earn their money? Answer: What they are told to do. This exercise to expand the number of participants in the current non-democracy is a demonstration of the arrogance of Alberta Conservatives.
