

EBC-020

Government spending is at record highs!!!
Our largest deficit in history!!!
You want to make government LARGER???
Instead of adding 4 more seats,how about reducing it to say 75.
REDUCE SPENDING!!!!
Both Edmonton and Calgary have more MLA's then they do
counsellors or aldermen.
This makes no sense.
REDUCE REDUCE REDUCE NOT ADD

Thank you
Lorne Barraclough (concerned taxpayer)
