Re: Revision to area, boundaries and names of the electoral divisions in Alberta

Dear Honourable Walter,

The Town of Killam would like to thank you for the opportunity to comment as your group begins to review the area, boundaries and names of the electoral division in the province.

The Town of Killam is a part of the Battle River Wainwright Constituency. We feel strongly that the electoral divisions in Alberta should remain the same as they currently are. We feel that there would only be negative results should our constituency be geographically larger than its current state. The issue is that rural populations are shrinking and for our constituency to grow geographically because of that makes it very hard for MLAs to effectively represent.

Should you have any questions, please feel free to contact me at (780) 385-3654.

Yours truly,
