

Dear Commissioners,

I am contacting you in regards to a suggestion to rename the Constituency of DUNVEGAN - CENTRAL PEACE to NOTLEY - CENTRAL PEACE in honour of the late Grant Notley, former MLA for Spirit River Fairview. I believe this would be appropriate recognition of the importance of Grant Notley's role in Alberta's political history.

Our province continues to have ridings named after Conservative MLAs (Decore, Manning, Lougheed). I do think that it would be suitable recognition for the great contributions made by Grant Notley to name his former constituency after him.

Sincerely,

Christine Bouchier
