

Dear Commissioners,

I am aware there was a submission to rename the Constituency of "Dunvegan – Central Peace" to "Notley - Central Peace" in honour of the late Grant Notley, leader of Alberta's NDP and MLA for Spirit River Fairview..

Our province continues to have other ridings named after Conservative MLAs that haven't been removed or renamed. These include "Manning", "Lougheed", "Decore". I urge you to reconsider your decision and recognize the great contributions that Grant Notley made for our province by naming his former constituency after him.

I am aware that you have probably received quite a few e-mails saying the same thing as the above, and apologise for not re-formatting the text I was given...however it sums up my feelings on the matter quite succinctly. Please consider doing a great man the same honour as is reserved for members of other, more powerful political parties. If nothing else, it would go a long way towards making non-conservatives in Alberta feel that they actually have a voice in their government, even if they disagree with it.

Thank you very much for your time,
