

To: The Electoral Boundaries Commission

This letter is regarding the proposed changes to the Electoral Boundary changes that will affect the City of Grande Prairie, the County of Grande Prairie and the MD of Greenview. I am NOT in favour of these proposed changes for 2 reasons.

1. the City is still left divided
2. the area left for one MLA to cover is too large

The city now has the benefit of two MLA's working on issues that affect them while giving both of them a reasonable area of Rural coverage.

Resident of Grovedale in the MD of Greenview
