

Dear Sir or Madam - Electoral Boundaries Commission:

I wish to voice my concern regarding the proposed changes in the Edmonton McClung Electoral Boundary. I believe that the North Saskatchewan river forms a natural boundary for the McClung riding and would better serve the interests of constituents to have our representation to the West of the river. It doesn't make sense to have the boundary changed to include Edmonton Rutherford and Edmonton Whitemud South where there are different interests in those communities that are not common to our interests in Edmonton Medowlark, McClung and new development area to the West of Anthony Henday Drive.

I have talked to our MLA, David Xiao regarding my concerns and he suggested that I express my views directly to the Commission

Sincerely:

Garry and Patricia Popwich
