**RE: ALBERTA ELECTORAL BOUNDARIES COMMISSION 2009/10 – Proposed changes from Foothills-Rocky View to Carstairs-Rockyview**

We are in receipt of your circulation of the Alberta Electoral Boundaries Commission 2009/10 dated February 24, 2010.

The Town of Crossfield supports the boundary changes proposed for the area which removes the City of Airdrie and Town of Cochrane, and includes Municipalities of similar size including Carstairs, Didsbury, Beiseker and Irricana.

This document was discussed at the regular Council meeting held on March 2, 2010.

In conversation with the Town of Carstairs it was determined that there are concerns in Didsbury and Carstairs relating to boundary extensions to include the #2 Highway and in Didsbury – they are concerned regarding their north boundary, requesting that the northern boundary be extended north of secondary highway 582.

Town Council offers our support to the concerns raised by the Town of Carstairs and the Town of Didsbury, where the Town of Carstairs wishes to have their east boundary expanded to include the QE 2 Highway, and the Town of Didsbury's request to extend their northern boundary to north of secondary highway 582 and eastern boundary to the QE #2 highway as well.

We trust this to be the information you require. If you have any questions please do not hesitate to contact this office.

Sincerely,  
TOWN OF CROSSFIELD
