To Whom It May Concern,

**RE: Proposed Alberta Electoral Boundaries**

Currently the Town of Bowden is situated inside of the Alberta Provincial Electoral Division 59 (Innisfail – Sylvan Lake). The Interim Report to the Speaker of the Legislative Assembly of Alberta (Dated February 2010) from the 2009/2010 Alberta Electoral Boundaries Commission identifies changes to our current electoral area. The proposed new area for Bowden would be called the Alberta Provincial Electoral Division 84 (Sylvan Lake).

It is the desire of the municipality to leave the current electoral boundary *Division 59 (Innisfail – Sylvan Lake)* with no changes from that which currently exists.

However, if changes must be made, it is important to include the entire municipality inside of the newly formed area. It appears from the published map that the border of this electoral division follows Highway 2 beside Bowden and part of our community is located east of the highway.

I wish to appear and be heard on behalf of the Town of Bowden at any upcoming public hearings regarding this proposal.

If you have any questions or require further clarification regarding the above, please don't hesitate to contact me.

Yours truly

**TOWN OF BOWDEN**
